Date	Proposal #
1/1/2010	16

Item	Description	Qty	Rate	Total
Softscapes	Install Blue Pacific Juniper on back hillside at 3' centers NOTE - Only one plant was selected for the back hillside and although there is little variety, due to the invasive nature of creeping groundcover plants, if more were used, they would likely not look very good as they began to mature.	154		0.00
Softscapes	Pine Straw for all beds excluding the water feature area	80		0.00
Softscapes	Pine Bark Mini Nugget Mulch bags for water feature area	9		0.00
Lighting	[OPTIONAL] BACK YARD LIGHTING SYSTEM: *NOTE* - A test system can be set up for homeowner to view for several days prior to making a purchase decision. 1. Install (1) 900-Watt Power low voltage power transformer with automatic timer 2. Install (14), 35-Watt Up-Lights at various locations throughout back yard 3. Install (4), 35-50 Watt Underwater lights for use in water feature *Transformer has been sized to accommodate additional lighting or higher wattage lamps in the future.*			0.00
